

WELCOME

Founded in 1898 by Ambrosius Hiltl, Haus Hiltl is the world's oldest vegetarian restaurant according to Guinness World Records and is run today by the family's fourth generation. From early morning until late at night, we've been delighting guests with healthy indulgence for over 125 years – at our flagship location on Sihlstrasse, on the rooftop terrace above PKZ Women on Bahnhofstrasse, at the Sihlpost right next to Zurich's main station, in summer at the Mythenquai lakeside lido, or at the location of your choice with Hiltl Catering.

In the 1950s Margrith Hiltl, the grandmother of Rolf Hiltl, travelled to the World Vegetarian Congress in Delhi as the official delegate of Switzerland. Inspired by the Indian culture, she returned to Switzerland – her luggage full of Indian recipes and spices. To this day, these dishes are an integral part of the Hiltl Buffet as well as the à la carte menu and are very popular among our guests.

Our dishes are prepared fresh every day in our own kitchen and confectionery with devotion and love for detail. We focus on local and regional produce, fresh, ripe fruits and vegetables. Most of our animal-based products are organic.
